Status: ☐A- Approved ☐B- Approved as noted ☐C- Revise & Resubmit ☐R- For information only

Comments:

It is a conditional approval, as changes are expected in the design, specifications, and drawings of ITS system. The Contractor/Supplier must ensure proper coordination and compliance with expected changes & following comments prior to procurement. In case of any contradiction or non-compliance, this approval shall be deemed Code-C, and the Contractor/Supplier shall rectify it without any additional cost or time impact.

1.Provide references of previous projects where the Vista Pro camera has been supplied and is successfully operational.

2. Attach international certification of Vista Pro camera.

3.Provide Red light camera system storage calculation in accordance with project specification & attach data sheet for storage equipment.

4.Provide reference that the subject material has Category C1 as mentioned in the submittal.

5.Attach Riser Diagram of Red light camera system.

6. Warranty certificate for five years from the satisfactory completion of the experimental period to be provided in accordance with project specification
